Synopsis:	<p>The request for proposal is set-aside for Service Disabled Veteran Owned Small Business (SDVOSB) with a NAICS code of 541611 (\$6,000,000 in annual average receipts over 3 years).</p> <p>The request for proposal will be evaluated based on Best Value for award of the project. Evaluation factors will include Management Approach (sub factors of Staffing Plan and Resource Management Plan), Technical Approach, Past Performance and Experience, and Price. All responsible sources may submit a proposal, which will be considered by the agency. This solicitation will support the U.S. Army Corps of Engineers (USACE) Competitive Sourcing Program as well as other Department of Defense agencies.</p> <p>The project is being advertised as a Request for Proposal (RFP) where the submittal of technical/management proposals and price proposals are required. Competitive proposals will be based on the evaluation criteria provided in the solicitation. The Government's intent is to award an Indefinite Delivery Firm Fixed Price Contract with a twelve month base year and the option to extend for four additional years. The IDIQ contract if awarded will have a total capacity of \$6,000,000 over a five year performance period with an estimated maximum for delivery orders of \$1,000,000 each. The Government intends to award two or more contracts. Work will require contractor to provide consultant services and personnel with A-76 expertise to assist with completion of the elements of A-76 competitions including Preliminary Planning, Acquisition Support (to include Bundling Analysis, Acquisition Planning, Solicitation Support, and SSEB Training), Development of the Performance Work Statement (PWS) and Development of the Quality Assurance Surveillance Plan (QASP) including metrics and standards needed for the competition. Additionally, the contractor will be required to support the Agency Tender Official (ATO), who will be preparing a proposal for the Most Efficient Organization (MEO). As part of the ATO proposal, areas will include MEO Training Workshop and assistance with completion of a Concept Plan, MEO Plan, Quality Control Plan (QCP), Development of the Agency Cost Estimate (ACE), and Preparation of the Agency Tender. In addition to providing support to the ATO for preparing proposals for the MEO, contractors may be required to provide support to the Government in developing High Performing Organizations (HPO). Contractor may also be required to support the HQ U.S. Army Corps of Engineers (USACE) Strategic Sourcing Program Office (SSPO) in preparation of Benefits</p>

	<p>Analysis (as required by FAR Part 7.107(e)), participate as an advisor to the Source Selection Evaluation Boards (SSEB), and other functions which may be assigned by the SSPO. Firewall restrictions will be strictly adhered to. Any firm, which is awarded a delivery order for the Preliminary Planning and PWS portion of a particular competition, will not be awarded a delivery order for the MEO portion of the same competition due to the restrictions on the firewalls.</p> <p>In order to comply with the Debt Collection Improvement Act of 1996, all contractors must be registered in the Central Contractor Registration (CCR) to be considered for award of a Federal contract. The initial registration date expired 31 May 1998. For information regarding future registration, contact (1) CCR Web site at http://www.acq.osd.mil/ec; (2) dial up modem at (614) 692-6788 (User ID: ccrpub; Password: pub2ccri); (3) through any DoD Certified Value Added Network. To review the database, the web site is: http://www.fedecnavigator.disa.mil. Additionally a paper form for registration may be obtained from the DoD Electronic Commerce Information Center at 1-800-334-3414.</p> <p>The solicitation will be provided in an electronic format, free of charge, to all registered plan holders. The media through which the Government chooses to issue this solicitation is the Internet only. This solicitation will not be issued in paper.</p>
